3. Fees for Postgraduate Diploma programs

Students in a Postgraduate Diploma program pay the same fees as MTh students for the components of the program they take.

Fees Note:

- Students from ASEAN countries other than Malaysia and Singapore pay the equivalent of the Malaysian amount.
- Students from non-ASEAN Asian countries which are considered high-income economies pay fees at the Singapore rate. (Generally, Hong Kong, Japan, South Korea and Taiwan are in this category.) Students from other non-ASEAN Asian countries pay fees at the Malaysian rate. Please check with the AGST Alliance registrar.
- Students from non-Asian countries, expatriates working in an Asian country but supported financially from a non-Asian or Asian high-income economy country, and those who receive scholarship funding from trusts/foundations pay the SGD rate.
- Students sent by, or sponsored by, AGST Alliance member institutions will receive a 30% discount on the coursework component of the fees.
- Students auditing modules will be charged 60% of the full fee of the fee schedule they are eligible for.
- Fees are paid in advance of the component of the program they are for.
- The coursework fees are set on the basis of all credits being completed as AGST Alliance modules. Students cross-crediting courses into their MTh program will pay a 10% administration fee for each credit transferred.

4. Payment Schedule

Program fees may be paid in instalments rather than one lump sum. Payment is in advance of work for the program. Thus the payment schedule is:

- **For MTh/Postgrad Diploma/EdD/ DMin programs:**

• By the beginning of the pre-campus session	20% (non-refundable) of total fee for the module or total fee
• By the beginning of the on-campus sessions of each module	The total fee for the module
• Prior to beginning the non-module components of the program (e.g. practicum, thesis, major papers, etc)	The fee for the particular component of the program
• Prior to graduation	Graduation fee

5. Other costs

We try to keep the program fees affordable but appreciate that there are other significant costs also. MTh/ Postgrad Diploma students/ EdD/ DMin students need to budget for:

- Travel and living expenses for the on-campus sessions of the MTh/EdD/DMin modules.
- Library membership fees.
- Purchase of books/photocopying.
- Internet access.
- Travel (and accommodation) as necessary for research and to meet personally with supervisor(s).
- Copying and binding the thesis/dissertation.
- Use/purchase of graduation attire.

6. Refund policy

- If a student withdraws from a program, a request for fees refund may be considered; but the student should initiate the request within three months of withdrawing.
- If a student withdraws from the program for other than significant compassionate reasons, no refund of fees will be made.
- If a student has paid fees in advance, a refund equivalent to complete components of the program (e.g. MTh/EdD modules) not attended will be refundable.
- An administration fee of 10% of the amount to be refunded will be charged for fees refunds.
