**David L. Washburn**

I'm an independent, widely published biblical researcher who does research in the biblical languages for fun and edification. My specialty is grammar, but I also do Greek and Aramaic. Bottom of Form  
I don't claim to have the final word on anything, but I will do my best to answer questions about the languages in a manner that is clear, well-researched, and most important, relevant. Will accept emailed questions. Includes several O.T. articles & Links.
